Note: The number of people assigned to each month reflects the number of services where Special Music is anticipated to be needed. The first name (with the *) is asked to contact the others on the list and coordinate the special music for the month. Roberta Erickson (689-1827) can inform you of which dates special music is needed for the month. Please remember to contact the church secretary at 689-1687 by Wednesday to let her know who will be providing Special Music for the following Sunday so it can be included in the bulletin.

- It is customary not to have special music on the first Sunday of the month; however, if someone is available, it would be most welcome.
- If an accompanist is needed, please contact Roberta at 689-1827.
- We welcome instrumental and vocal sacred music in this ministry.
- Thank you for your help as we share these gifts from God in our worship!
